

Zippered Stretch Knit Boxspring Cover

Our new Supreme boxspring covers are made with the same great material as our Elite mattress covers but without the membrane lining.

With all these great features we can guarantee that those bed bugs will not get in or out.

- The stretch polyester knit fabric allows air to pass through for a cool and comfortable sleep
- Self-locking zipper, internal flap and exterior Bugstop seal for additional protection
- Flame Retardant
- Protect your investment, easier and more economical to cover then to replace
- Laboratory tested and Certified Bedbug Proof – Independently tested

Cover should remain on mattress or boxspring for a least 1 year to achieve maximum effectiveness.

To Launder or Remove Cover:

- Gently peel the tape back from the cover
- Unzip the cover completely
- Gently ease the cover off the boxspring
- BEFORE WASHING, zip cover completely closed and gently place tape over the zipper
- Machine wash and tumble dry in temperatures up to 140°F
