Creates a gentle hush resembling the familiar sound your baby enjoyed for nine long months in the womb. This soothing white noise is clinically proven to help infants fall asleep more easily and sleep more soundly.	Every minute, over 250 cubic feet of air passes through 15 pounds of Activated Carbon, over 60 square feet of True Medical Grade HEPA and HEGA Carbon Cloth	Every minute, over 250 cubic feet of air passes through 15 pounds of Activated Carbon and over 60 square feet of True Medical Grade HEPA	Every minute, over 125 cubic feet of air passes through 6.5 pounds of Activated Carbon and over 30 square feet of True Medical Grade HEPA	Common household cleaning products, detergents and materials can emit dangerous vapors. Offers a superior gas filtration system to remove a wide range of chemical vapors.	Common household cleaning products, detergents and materials can emit dangerous vapors.
